

Json::StreamWriter::Factory

```
classDiagram
    class JsonStreamWriterBuilder
    class JsonStreamWriterFactory["Json::StreamWriter::Factory"]
    JsonStreamWriterBuilder --|> JsonStreamWriterFactory
```

The diagram illustrates a class hierarchy. At the bottom, there are two boxes, both labeled 'Json::StreamWriterBuilder'. A horizontal line connects the right side of the left box to the left side of the right box. From the center of this horizontal line, a vertical line extends upwards, ending in an arrowhead pointing to the bottom center of the top box, which is labeled 'Json::StreamWriter::Factory'. This indicates that both 'Json::StreamWriterBuilder' classes inherit from 'Json::StreamWriter::Factory'.
