

Json::Writer

```
graph BT; A[Json::FastWriter] --> C[Json::Writer]; B[Json::StyledWriter] --> C;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Json::Writer'. Below it, two boxes labeled 'Json::FastWriter' and 'Json::StyledWriter' are positioned side-by-side. A horizontal line connects the two bottom boxes, and a vertical line with an upward-pointing arrow connects the center of this line to the bottom of the 'Json::Writer' box, indicating inheritance.
